

2023-2024 Sponsorship Package

Dear Friends

The Downers Grove Junior Woman's Club is a non-profit organization composed of local women who volunteer freely to help others not as fortunate in the community. We have been, and continue to be, a committed source of hope in the form of emotional and financial support throughout Downers Grove and surrounding areas. Our community projects include financial contributions to in-need organizations, annual recognition of educators and students, and community service volunteer efforts. However, we can not achieve our mission alone and invite you to join us this upcoming year to continue our efforts.

Last year, generous contributions from our community partners helped the Downers Grove Junior Woman's Club donate \$80,000+ to support over 36 charities impacting local children, high school students, senior citizens, the abused, the homeless, victims of tragedy and families in need. Beyond financial contributions, we supported the community through various volunteer efforts such as providing Thanksgiving Day meals to local families, distributing presents for children in-need during the holiday season, building and planting vegetable gardens, packing and distributing meals, and so much more.

The 2023/24 year will be our GREATEST year of giving yet with \$40,000 in Philanthropic donations, \$20,000 for our Charity Partner, \$20,000 for Senior Scholarships, and \$10,000 in Teacher Grants and Holiday Donations!

We know "it takes a village" and through various partnership levels and in-kind donations, our goal is to THANK YOU by recognizing your giving spirit and commitment to the community with our audience. We welcome you to consider being celebrated as a Downers Grove Junior Woman's Club sponsor in whatever way that you can help us. Enclosed is a summary of the Club's achievements this past year and sponsorship opportunities. Should you choose to support DGJWC at the Platinum, Premier, or Diamond level we would love for you to join us at our club year's largest fundraising event, Denim & Diamonds in early 2024.

Please feel free to contact us with any questions or if you would like any additional information. On behalf of the Downers Grove Junior Woman's Club, we would like to thank you in advance for your generous donation and continued support of our mission to give back.

Sincerely,

Our Impact

"When I picked them (the children) up to take them to the first day back to school from break, they were both wearing the clothes and had big smiles on their faces. You not only have given them new clothing to wear that fits and is nicer than anything they have had; you have also given these two more confidence and you have lifted their heads a bit. Thank you so very much for making this year's Christmas quite special."
